**OFFICE OF LEGISLATIVE COUNSEL**

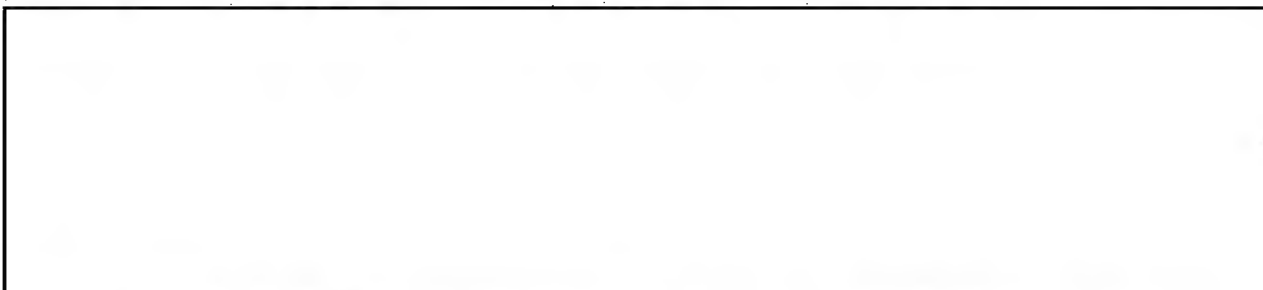

**Thursday - 21 January 1968**

1. Mr. George Murphy of the staff of the Joint Committee on Atomic Energy telephoned to advise that the 28th of January at two o'clock was still firm with the Committee and hoped it was with the Agency. I advised him that this was so.

2. [ ] of Personnel mentioned that [ ] who was evacuated from Karachi (?) has brought her father into the picture, a [ ] in Virginia, and there is some possibility that further action may be taken either by going to a lawyer or a Congressman.

3. [ ] advised that he had seen Mr. Rand and Mr. Boockbinder and had advised them of the turn down on their proposals. I mentioned that we should go into this somewhat in order to determine whether any action should be taken with Senator Hubert Humphrey's office.

4. Ken Mansfield on the staff of the Jackson Subcommittee telephoned to advise that they were releasing on Monday, 25 January, as a Committee Print the Study of the Russian Policy Making Machinery and an advance copy would be available for the Agency on Friday, 22 January.

5. On 19 January Richard Arens of HCUA attempted to reach the DCI by telephone and Mr. [ ] happened to be in the Director's office and spoke with him. Arens was raising the problem of [ ] again saying he had gathered that CIA and the Army were still interrogating [ ] Arens indicated the Chairman was pressing him very hard on this and was wondering why it took so much time to interrogate one individual. I repeated the official line that the intelligence community was not through with this individual and we did not know when they would be through. Arens said this did not seem to be a very satisfactory answer and would I check the matter and advise again. I promised to do so and simply will give him the official line again.
